## **CPFL Announces Launch of Follow-on Primary Equity Offering**

**Campinas, Brazil, May 30, 2019** – CPFL Energia S.A., or CPFL, announced today that it has commenced an offering pursuant to which it is offering 116,817,126 of its common shares in a global offering consisting of (i) a public offering of common shares with restricted selling efforts in Brazil by the Brazilian underwriters, and (ii) a concurrent international offering of common shares, including in the form of American depositary shares, or ADSs, in the United States and elsewhere outside of Brazil by the international underwriters. Common shares offered in the global offering may be offered directly or in the form of ADSs, each of which represents two common shares of the company. CPFL has the right to sell, in a joint decision with the underwriters, up to an additional 23,363,425 of our common shares (including in form of ADSs), in aggregate representing up to 20% of the common shares (including in the form of ADSs) initially offered by it. In addition, CPFL intends to grant the international underwriters and the Brazilian placement agents an option to purchase for a period of 30 days from, but not including, the date of the prospectus up to 17,522,568 additional common shares (including in the form of ADSs) at the public offering price less the underwriting discount to cover over-allotment of ADSs.

Holders of CPFL’s common shares as of May 30, 2019 will be given the opportunity to subscribe for common shares in the Brazilian offering on a priority basis at the public offering price for CPFL’s common shares. The priority subscription procedure will not be made available to holders of our ADSs.

The ADSs are listed on the New York Stock Exchange under the symbol “CPL” and the common shares are listed on the São Paulo Stock Exchange (*B3 S.A.— Brasil, Bolsa, Balcão*) under the symbol “CPFE3.”

The international offering is being made in the United States only by means of a prospectus included in a registration statement on Form F-3 that was previously filed with, and declared effective by, the U.S. Securities and Exchange Commission (the “Commission”), and an accompanying prospectus supplement filed with the Commission on May 30, 2019, which is available on the SEC’s website at [www.sec.gov](http://www.sec.gov). Common shares are being offered in Brazil in a public offering with restricted selling efforts by means of a Brazilian offering memorandum pursuant to CVM Instruction No. 476, dated January 16, 2009. Such offer will not be registered in Brazil and is directed only to a specified number of professional investors, as defined in

Article 9-3 of CVM Instruction No. 539, dated November 13, 2013. The closings of the international and Brazilian offerings are conditioned upon each other.

### **Forward-Looking Statements**

This press release includes estimates and forward-looking statements within the meaning of the U.S. federal securities laws. These estimates and forward-looking statements are based mainly on CPFL's current expectations and estimates of future events and trends that affect or may affect its business, financial condition, results of operations, cash flow, liquidity, prospects and the trading price of CPFL's common shares, including in the form of ADSs. Although CPFL believes that these estimates and forward-looking statements are based upon reasonable assumptions, they are subject to many significant risks, uncertainties and assumptions and are made in light of information currently available to us. In addition, in this presentation, the words "may," "will," "estimate," "anticipate," "intend," "expect," "should" and similar words are intended to identify forward-looking statements. You should not place undue reliance on such statements, which speak only as of the date they were made. CPFL does not undertake any

obligation to update publicly or to revise any forward-looking statements after CPFL distributes this press release because of new information, future events or other factors. CPFL's independent public auditors have neither examined nor compiled the forward-looking statements and, accordingly, do not provide any assurance with respect to such statements. In light of the risks and uncertainties described above, the future events and circumstances discussed in this prospectus might not occur and are not guarantees of future performance. Because of these uncertainties, you should not make any investment decision based upon these estimates and forward-looking statements.
